3. Services

3.1 Voxbone agrees to provide to Customer and Customer agrees to purchase from Voxbone, the Service(s) as set forth in the Service Description.

3.2 Voxbone shall provide the Service in accordance with the applicable regulatory framework and any order or determination of any competent NRA. To that effect, it shall ensure that it obtains and maintains all Authorizations necessary to provide the Service.

3.3 Voxbone shall endeavor to ensure interoperability of Services in order to make the Numbers reachable from as many mobile and fixed networks as possible. However, as Voxbone relies on the interoperability of services from its local partner(s) in each country for end-to-end connectivity, Voxbone does not warrant and represent that the Numbers will be reachable from all mobile and fixed networks.

4. Obligations of Customer

4.1 Customer shall pay for the Service in accordance with the rates set forth in clause 5 of the Agreement and the payment terms set forth in clause 6 of the Agreement.

4.2 Customer shall comply with and requires each Subscriber to comply with:

- (i) All relevant laws, regulations, regulatory conditions and usage restrictions provided for in the applicable regulatory framework, including decisions from NRAs and provisions in numbering plans. Customer acknowledges that the regulatory restrictions in the Service Description only contain generic information. It is Customer’s responsibility to abide with the specific usage restrictions and service conditions as may apply to the Service and or the use of numbers in the country in which Customer intends to purchase and resell the Service. If at any time during the term of the Agreement, Customer is informed or information comes to its attention that it is or may be in violation of any legal or regulatory provision, it shall immediately take all appropriate steps to remedy such violation and comply with such law or in all respects;
- (ii) The provisions of the Service Description and the then current version of the AUP. Customer shall, prior to

commencing using the Service, read and understand the AUP.

4.3 Without limiting clause 4.2 (i), Customer agrees that the Service provided to Customer where US Numbers are being used either

- (i) does not qualify as a "VoIP interconnected service" in the meaning of the applicable FCC regulations and orders, or
- (ii) if considered to be a "VoIP interconnected service", as furnished by Customer to Subscriber (either alone or in conjunction with other services), Customer shall provide the Service fully in compliance with all FCC requirements applicable to "VoIP interconnected services", including but not limited to emergency services requirements.

4.4 Customer shall ensure that it has obtained and maintains all Authorizations necessary to purchase the Service from Voxbone and resell it to its customers.

4.7 Customer acknowledges that Voxbone transmits the CLI in compliance with the applicable international rules and standards from the point of entry to the point of exit of its network. By selecting a CLI format other than the default E.164 format, Customer explicitly agrees to be fully responsible for any consequences resulting from the altered presentation. Customer also agrees that Voxbone may at its sole discretion and without notice in advance modify the CLI format in the event that an NRA requests Voxbone to do so.

4.8 Customer acknowledges and agrees to abide with the guiding principles on CLI presentation (CLIP) and CLI restriction (CLIR). In particular, Customer will (i) upon terminating a call to the end user, show the CLI when the caller opted for CLIP and block CLI presentation when the caller opted for CLIR, and (ii) keep CLI information confidential and only make use of CLI information for the purpose of providing a telecommunication service (call conveyance, operator assistance, emergency services, customer care, billing and managing the network). Customer shall not use CLI information for other commercial activities such as marketing or the advertising of any services.

4.9 Customer acknowledges that any violation of this clause 4 shall constitute a material breach of the Agreement in accordance with clause 9.2 and agrees to hold Voxbone harmless and indemnify it against all costs and liabilities arising out of any violation of this clause 4.

5. Charges

5.1 The Charges will be those set forth in an exhibit to the Agreement if different from the Price List.

5.2 Voxbone reserves the right to change its Charges upon a 7 days prior written notice. Unless notified otherwise, adjusted Charges will only apply for Services ordered as from the application date of the new pricing.

5.3 Vox800 Services will be invoiced only for completed calls in six-second increments with a minimum charge or set-up fee as set forth in the Price List or an exhibit to the Agreement. Vox800 Charges may be rounded up to the nearest cent on a per call basis.

6. Payment terms

6.1 Customer shall pay the Charges in accordance with this clause 6 and explicitly accepts that this clause 6 shall apply to all Charges and payments notwithstanding any other legal or administrative regulation.

6.2 Upon ordering any Service, Customer will pay:

- (i) through Voxbone's web interface using a credit card or PayPal; or
- (ii) through a wire transfer on the bank account numbers as mentioned in the Agreement or on the Voxbone website.

6.3 By ordering any Service with Voxbone, Customer explicitly allows Voxbone to directly debit its prepaid account and Customer's credit card(s) that Voxbone has on file, to settle any invoices.

6.4 Charges shall accrue on the relevant Service Date and at the latest from the date on which the Customer commences using the Service. The set up or installation costs (NRC) will be invoiced by Voxbone upon receipt of an order from Customer. Toll free credits will be invoiced by Voxbone upon receipt of an order for a Vox800 Service from Customer. The MRC will be invoiced by Voxbone monthly in advance.

6.5 An invoice will automatically be generated in electronic format (pdf) and made available to Customer through the Voxbone web portal. Any invoice shall be due and payable immediately on date of the invoice.

6.6 If Customer has ordered a Service but fails to pay the NRC, the order will not become effective. If Customer fails to provide sufficient funding on date of issuance of the invoice in respect of MRC, Voxbone will send one or more reminders until full payment of the invoice due.

6.7 All Charges or other sums due by Customer and payable to Voxbone are stated exclusive of value added tax and any similar sales tax or duty which, if applicable, shall be invoiced and payable by Customer at the then prevailing rate.

6.8 Customer shall pay a late payment interest of 1% per month of undisputed amounts on any amount owed but not paid by the due date until payment is made in full. If Voxbone will be forced to start a legal action for the recovery of any amounts due by Customer under the Agreement, Customer shall pay to Voxbone reasonable attorneys' fees, collection fees and any other costs actually incurred by Voxbone with a minimum of 15% of the invoice(s) due.

6.9 Any interest earned by Voxbone on credit balances in Customer's account will accrue to Voxbone.

6.10 Voxbone may offset any amounts due to Customer against any amounts due by Customer. Any payment will in first instance be allocated to any interest and expenses due and in the second place to the oldest outstanding invoices, unless stated otherwise by Customer.

6.11 If Customer in good faith disputes any portion of any invoice, Customer must within 10 calendar days following the date of such invoice submit, in accordance with the Agreement, full payment of the undisputed portion of the invoice, together with written documentation substantiating Customer's basis in disputing the Charges. If Customer does not dispute in writing within such 10 calendar days period, Customer shall have waived its right to dispute that invoice.

6.12 Customer agrees to comply with an obligation as to minimum usage equal to the Minimum Commitment as from the Effective Date, both during the Minimum Term and after the Minimum Term for as long as Customer will be purchasing Services from Voxbone, except where and to any extent that any non-

compliance in this respect is the direct result of Voxbone's negligence or breach of the Agreement. A Minimum Commitment is always linked to one single username. All calculations will be exclusive of taxes and surcharges. In the event that and for as long as Customer will not have achieved the Minimum Commitment in any given month, Voxbone will be entitled to invoice Customer and Customer agrees to pay during each remaining monthly billing period all accrued but unpaid Charges in respect of the relevant Service equal to the Minimum Commitment subscribed to by Customer.

6.13 Customer shall not be entitled to a reimbursement of any prepaid Charges.

7 Term and Service Date

7.1 This Agreement shall commence on the Effective Date and shall continue for as long as Services are provided under the Agreement with a minimum of the Minimum Term. Customer may terminate a Number at any time, upon a 30 days' prior written notice. Customer may terminate Channels on or at any time after the expiry of 12 months from the Service Date upon a 30 days' prior written notice.

7.2 If Customer terminates the Agreement or all Services under the Agreement prior to the expiry of the Minimum Term, or Voxbone terminates the Agreement during the Minimum Term due to Customer's breach, Customer shall pay to Voxbone:

- With regard to the period from the date of termination to the expiry of the Minimum Term: 100% of the amount of the Minimum Commitment that would otherwise have been due and payable, and, if any, the MRC in respect of the Channels for the excess amount over and above the Minimum Commitment;
- With regard to the period as from the expiry of the Minimum Term: 100 % of the MRC in respect of the Channels for the remaining months from the respective Service Date until the expiry of 12 months.

7.3 Customer acknowledges that the payment of the early termination fee under clause 7.2 represents a fair compensation for the costs incurred by Voxbone resulting from the early termination and does not constitute a penalty. Customer agrees that it will pay the invoice with regard to the early termination fee at the latest within 10 days from date of the invoice.

7.4 In the event that Customer terminates the Agreement or all Services under the Agreement upon or at any time after the expiry of the Minimum Term, it agrees to pay to Voxbone 100% of the MRC in respect of the Channels for the remaining months until expiry of 12 months from the Service Date.

8. Suspension

8.1 Voxbone may, at its sole discretion and without prejudice to any right which it might have to terminate the Agreement, elect to suspend forthwith the provision of a Service until further notice in the event that:

- (a) Customer's pre-paid balance is depleted and Customer fails to provide sufficient funding at the latest by the 15th of the month following date of invoice until such time the monetary default is cured, or such balance is at a level that cannot cover Customer's estimated traffic during the time required for Customer to replenish its prepaid balance;
- (b) It is entitled to terminate the Agreement pursuant to clause 9;
- (c) It is obliged to comply with an order, instruction or request of an NRA, a court, government, agency, emergency service organization or other competent administrative or regulatory authority;

- (e) It has reasonable grounds to believe that the Service is being used fraudulently or illegally

(f) Customer or its Subscriber(s) use(s) the Service or numbers in violation of the conditions mentioned in the Service Description.

8.2 In the event that Voxbone exercises its right to suspend the Service pursuant to clause 8.1 (c) or (d) it shall, whenever reasonably practicable, give prior notice of such suspension to Customer. Voxbone shall in such circumstances use all reasonable endeavors to resume the Service as soon as practicable.

8.3 Voxbone shall not be liable for any loss, damage or inconvenience suffered by Customer as a result of any suspension made pursuant to clause 8.1. Customer will in no event be entitled to any compensation should such suspension occur.

9. Termination

9.1 If Customer fails to pay an invoice before its due date, and the invoice has not been properly disputed in accordance with the Agreement, Voxbone may terminate the Agreement and cease providing the Services, without further notice or liability to Customer. In such event Voxbone may deactivate all Numbers allocated to Customer and may make them available to other customers. Upon deactivation Voxbone can not guarantee that one or more numbers can be re-allocated to Customer if it desires to reactivate the Service. In case of reactivation of Service, Customer will pay a new setup and activation fee. In the event Voxbone elects to suspend Service until the monetary default is cured, Voxbone reserves the right to exercise the option to terminate the Agreement at any time during the suspension period. The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under the Agreement.

9.2 In addition to any other rights at law or in equity, a party may immediately upon written notice terminate any Service and/or the Agreement:

- (a) if, in relation to that Service, the other party has committed a material breach other than as set out in clause 9.1 but which it fails to remedy within 5 business days of having been notified of such breach;
- (b) if the other has a receiver or an administrative receiver appointed over it or over any part of its undertaking or assets or passes a resolution for winding up or a court of competent jurisdiction makes an order to that effect or if the other party enters into any voluntary arrangement with its creditors or ceases or threatens to cease to carry on business, or undergoes or is subject to any analogous acts or proceedings under any foreign law.

10. Indemnity and liability

10.1 Each party agrees that it shall not be liable to the other for any claims or costs sustained by the other party, its interconnected carriers, peering partners, customers or end users due to:

- (i) any failure in or breakdown of equipment or transmission facilities associated with providing the Services and managed or operated by third parties;
- (ii) any loss of data, the quality, content and accuracy of information received through or as a result of the use of the Services; or

- (iii) fraudulent use of passwords or other security codes, whether resulting from loss, theft or disclosure to another person, unless such failure, breakdown, loss or fraudulent use is resulting from the negligence or default of the first mentioned party.

10.2 Notwithstanding any other provision of the Agreement to the contrary, in no event shall either party be liable to the other party for consequential, special or indirect losses or damages sustained by them or any third parties with regard to the Services, irrespective of whether under contract, tort or otherwise (including, without limitation, loss of profits, loss of customers or damage to reputation or goodwill).

10.3 Either party shall not be liable to the other for any failure to comply with its obligations under the Agreement to the extent that such liability arises as a result of the failure by the other to fulfill its obligations under the Agreement or force majeure as set forth in clause 13.

10.4 Either party's liability against the other for any damages under the Agreement, shall be limited to the credits due under an SLA as the case may be, and shall in no event exceed the lowest of either (i) the total amount of Charges invoiced by Voxbone and paid by Customer in 6 months prior to the event that caused the liability or (ii) € 10,000 for each event or series of related events.

10.5 Nothing in the Agreement shall serve to limit either party's liability in respect of (i) death or personal injury caused by or arising from its negligence, (ii) any conduct qualified under the applicable law as being willful misconduct or fraud or (iii) breach of third party's intellectual property rights or proprietary rights.

10.6 The parties expressly agree that no claim for losses or damages whatsoever in connection with the Agreement shall be made more than six (6) months after the date that the event giving rise to such claim is known or reasonably should have been known to the party making such claim.

11. Warranties

11.1 The Services are provided in accordance with the standards of the industry.

11.2 Except as expressly set forth in the Agreement all warranties, representations or agreements, with respect to the provision of the Service or otherwise, whether oral or in writing and whether express or implied, either by operation of law, are hereby expressly excluded to the maximum extent permitted by law. For the avoidance of doubt this exclusion should equally apply to any warranties or representations given by or on behalf of Voxbone prior to the date of the Agreement.

11.3 In case Customer utilizes Channels in excess of the number of Channels ordered, Voxbone can not guarantee and is not responsible for any quality degradation or outages.

12. Service maintenance

12.4 Except in the case of emergencies, each party shall give no less than 5 business day's prior notice of all scheduled Service maintenance or alterations, which shall affect the Services. In such event, the party with the obligation to perform shall be excused from further performance or observance of the obligation(s) so affected for as long as such circumstances prevail and such party continues to use commercially reasonable efforts to recommence performance or observance whenever and to whatever extent reasonably possible.

14. Intellectual property rights

14.2 Each party acknowledges:

- (i) that any and all patents, registered and unregistered designs, copyrights, trademarks and all other intellectual property rights whatsoever, which are used in connection with the Service and/or Service equipment, shall remain the sole property of entitled owner of such rights or its subcontractors; and
- (ii) that it shall not be entitled to use the name, trademarks, trade names or other proprietary identifying marks or symbols of the other without its prior written consent.

15.1 Voxbone and Customer shall each treat as confidential all information related to the business or security of the other party or the other party's clients, whether before or after the Effective Date, in connection with the Agreement, including without limitation all financial information, technical data, information relating to the pricing methods, processes, lists, statistics, programs and software, research, development or information which is stated to be confidential or from its nature and the context of disclosure should reasonably be understood by the recipient as confidential ("Confidential Information").

15.2 Confidential Information shall be deemed proprietary to the disclosing party and the receiving party shall not disclose it to a third party or use it except in furtherance of the Agreement, without the prior written consent of the disclosing party. Each party shall use the same means as it uses to protect its own confidential information, but in any event not less than reasonable means, to prevent the disclosure and to protect the confidentiality of the confidential information.

15.3 This obligation of confidentiality shall not apply to information which:

- (i) is already rightfully known by the receiving party at the time it is obtained, free from any obligation to keep such information confidential;

- (ii) is or becomes publicly known through no wrongful act of the receiving party;
- (iii) is rightfully received from a third-party without restriction and without breach of the Agreement;

No party may assign the Agreement or any of its rights and obligations hereunder, without the prior written consent of the other party, which consent will not be unreasonably withheld.

20 Severability

No waiver by either party to any provisions of the Agreement shall be binding unless made in writing.

21 Governing law and jurisdiction

21.1 This Agreement shall be governed by the laws of Belgium without reference to its principles of conflict of laws.

22.2 Except as otherwise agreed herein, the Agreement may only be modified by a writing signed by authorized representatives of both Parties.

22.3 In the event of any conflict, inconsistency or ambiguity between the terms of the Agreement, any Service order(s) and/or Exhibit, the interpretation shall be resolved by giving precedence to such documents in the following order of priority:
